13.1. We affiliate with another party to provide our specific services. When the user signs up for our services, we will share names, or other contact information that is necessary for the third party to provide these services. The party is not allowed to use personally identifiable information except for the purpose of providing online services.

14. Data storage

14.1 TEVNAR IT GROUP CORP. uses third party vendors and hosting partners to provide the necessary software, networking, storage and related technology required to run our services. Notice: All users retain all rights to their data, although they are accessible to multiple viewers. TEVNAR IT GROUP CORP. is not responsible for third party failure to provide continuous services, erroneous data, stoppage, or limited services.

15. Disclosure

15.1 TEVNAR IT GROUP CORP. may disclose personally identifiable information under special circumstances, such as to comply with subpoenas or when your actions violate the Terms of Service of any of our applications or when required by local, states or federal law.

16. Security - How we protect your privacy

16.1. TEVNAR IT GROUP CORP. is committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic, and managerial procedures to safeguard and secure the information we collect online. The security of your Personal Information is important to us but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable

means to protect your Personal Information, we cannot guarantee its absolute security.

16.2. However, we implement a variety of security measures to maintain the safety of our personal information when you access your personal information. We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. Wherever we collect sensitive information (such as credit card data), that information is encrypted (SSL PROTOCOL) and transmitted to us in a secure way. You can verify this by looking for a closed lock icon at the bottom of your web browser, or looking for "https" at the beginning of the address of the web page.

16.3. While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing, or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

17. How we use and control cookies

17.1 What is a cookie?

17.1.1 Cookies are files with small amount of data, which may include an anonymous unique identifier. Hence, a cookie is a small amount of data, which often includes an anonymous unique identifier that is sent to your browser from a web site's computer and stored on your computer's hard drive. Cookies are sent to your browser from a web site and stored on your computer's hard drive. Like many sites, we use "cookies" to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our platform. Hence, a cookie is a small file, which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes, and dislikes by gathering and remembering information about your preferences. Nonetheless, cookies are sometimes required to use the KAYPIC.COM platform services.

18. How we use cookies

18.1 TEVNAR IT GROUP CORP. may use traffic log cookies to identify which pages are being used. This helps us analyse data about webpage traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis purposes and then the data is removed from the system. Overall, cookies help us provide User with a better website by enabling us to monitor which pages you find

useful and which User do not. A cookie in no way gives us access to your computer or any information about User, other than the data User choose to share with us. User can choose to accept or decline cookies. Most web browsers automatically accept cookies, but User can usually modify your browser setting to decline cookies if User prefer. This may prevent you from taking full advantage of the platform. We also use cookies to record current session information, but do not require permanent cookies. Cookies enable us to monitor traffic patterns and to serve the users more efficiently. A cookie does identify a computer.

19. External Links to other websites

19.1. Our website may contain links to other websites of interest. However, once Users have used these links to leave our site, User should note that we do not have any control over that other website. Therefore, we cannot be responsible for the protection and privacy of any information, which User provides whilst visiting such sites and this privacy statement does not govern such sites. User should exercise caution and look at the privacy statement applicable to the platform in question.

19.2 Although this platform only looks to include quality, safe and relevant external links, users are advised adopt a policy of caution before clicking any external web links mentioned throughout this platform.

19.3 The owners of this platform cannot guarantee or verify the contents of any externally linked website despite their best efforts. Users should therefore note they click on external links at their own risk and this website and its owners cannot be held liable for any damages or implications caused by visiting any external links mentioned.

20. Controlling personal information about you

20.1. User may choose to restrict the collection or use of your personal information in the following ways:

- Whenever Users are asked to fill in a form on the website, you can indicate that you do not want the information to be used by anybody for direct marketing purposes.
- if User have previously agreed to us using your personal information for direct marketing purposes, User may change your mind at any time by writing to or emailing us at [info@kaypic.com]. TEVNAR IT GROUP CORP. will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law to do so.

20.2. User may request details of personal information, which we hold about you under the Personal Information Protection and Electronic Documents Act - Canada. If you would like a copy of the information held on you please write to [info@kaypic.com].

20.3. If User believes that any information KAYPIC.COM OR TEVNAR IT GROUP CORP. is holding on you is incorrect or incomplete, please write to or email us as soon as possible at the above address. TEVNAR IT GROUP CORP. will promptly correct any information found to be incorrect.

21. Disclaimer, Privacy Policy limitation of Liability

21.1. KAYPIC.COM OR TEVNAR IT GROUP CORP. do not endorse or accept any responsibility for the content, or the use, of third party website or services. It is the Users responsibility to take precautions to ensure that whatever you select for your use by you is free of viruses, worms, Trojan horses and other items of a damageable nature that may affect your computer or material. In no event will TEVNAR IT GROUP CORP. be liable for any damages or whatsoever, including particular, indirect or consequential damages, arising out of or in connection with the use or performance of the information available or referred to on our website.

22. Surveys & Contests

22.1. From time-to-time our site may request information via surveys or contests. Participation in these surveys or contests is voluntary and you may choose whether to participate and therefore disclose this information. Information requested may include contact information (such as name and shipping address), and demographic information (such as zip code, age level). Contact information will be used to notify the winners and award prizes. Survey information will be used for purposes of monitoring or improving the use and satisfaction of the site and services.

23. Complaint submission

- If you believe that we have used or disclosed your Personal Information in a manner in which is contrary to this policy or otherwise breaches the Act, then you should complete a complaint form and email the completed form to our contact as specified in the Schedule. Within 30 days of receipt of your complaint form we shall notify you in writing as to what action we propose to take in relation to your complaint and shall provide you with details of what further action you can take if you are not satisfied with our response.
